ODOT open house on Dec. 15 for I-5 bridge

Please join the Oregon Department of Transportation at their informal open house on Tuesday, Dec. 15 from 5 to 7 p.m. at the Eugene Water and Electric Board, 500 E. Fourth Ave. in Eugene.

The purpose of the open house is to: review early designs for the new Interstate 5 Willamette River Bridge and the surrounding area; learn about the construction schedule and innovative work done to date; and share information with the project team about the Eugene Millrace. We are looking for any photographs, documents and oral history that you may have on the Millrace.

For more information, please contact ODOT Public Information Officer Rick Little at (541) 726-2442 or visit www.willamettebridge.org.

If you need an interpreter or other open house accommodations, please contact Suzanne Robers at (503) 471-6866 or suzanne.roberts@obdp.org.
