Construction Prompts Delay Via The Dalles Bridge *Trenching Under Bridge*

The Dalles – Motorists traveling across The Dalles Bridge on US197 will be slightly delayed beginning Friday, April 24 at 6pm until Monday April 27 at 9am due to construction under the southern terminal of the bridge in the City of The Dalles.

Crews will be relocating sanitary sewer piping immediately south of the bridge.

The operation will run continuously, 24 hours a day, until the work is completed.

One travel lane will be open through the work zone. A 19-foot maximum width will be in effect and traffic will be controlled by flaggers.

Motorists can expect delays of approximately 10 minutes or less.
